

MAIN ROADS WESTERN AUSTRALIA

GENERIC TRAFFIC MANAGEMENT PLAN

NON-COMPLEX TRAFFIC MANAGEMENT ARRANGEMENTS

WHEATBELT REGION

MAY 2025 TO MAY 2026

Declaration

I, **MICHAEL REED (AWTM Cert. № 23-11536-02)** declare that I have designed this Traffic Management Plan, **subject to the variations approved**, in accordance with Austroads Guide to Temporary Traffic Management (AGTTM), the current Main Roads Western Australia Code of Practice (CoP) and the Australian Standard 1742.3 2019. Due to the generic nature of the Traffic Management Plan, site inspections have not been carried out.
