

9.3 Records

A daily diary recording all inspections including variations to the approved Traffic Management Plan shall be kept using Standard Forms “Daily Diary”. A video recording of each TM layout and changes must be made and stored for seven (7) days as per CoP section 5.2.

in the event of an incident onsite this record should be kept for up to 7 years.

The **Traffic Supervisor** is to record all inspections made on a daily basis and at those times prescribed by the Traffic Management Implementation Standards. Upon completion of each shift, the **Traffic Supervisor** shall provide copies of the daily diary record to the **Delivery Supervisor**.

The **Traffic Supervisor** is to record all variations made to the approved Traffic Management Plan on a daily basis and indicate clearly the nature of and the reason for the variations. Upon completion of each shift, the **Traffic Supervisor** shall provide copies of the variation record to the **Delivery Supervisor**.

9.4 Public Feedback

Customer complaints shall be generated by contacting Customer Information Centre (CIC) on telephone number 138 138. **Delivery Supervisor** and/or **Delivery Supervisor** shall process any issues and document any findings for future learnings.
