

Table 5.4.2(a) – Short term works outside a traffic lane – but within 1.2 m of a traffic lane

Criteria		Yes / No
1	The work area is outside but within 1.2 m of a traffic lane.	
2	Works take 5 minutes or less.	
3*	A lookout person is available to warn workers on foot to vacate the roadway before the arrival of approaching traffic and meets the sight distance requirements of Table 5.4.5(a). If there are no workers on foot answer 'Yes'. *If the requirements of Table 5.4.5(b) are met, answer 'Yes'.	
4	Work vehicles and equipment are parked adjacent to the worker location and parked clear of moving traffic lanes or parked where parking would be legal and the safety of other road users is not compromised.	
5	A vehicle-mounted warning device is displayed on the work vehicle and has a minimum sight distance (see Table 5.4.2(c)) for approaching road users.	

*Note: The lookout person may be dispensed with if the work task takes 10 seconds or less to complete and the sight distance of approaching traffic to both the vehicle-mounted warning device and worker is a minimum distance as shown in Table 5.4.5(b). The worker must be required to be aware of the approaching vehicles within the distance if no lookout person is required.

Table 5.4.2(b) – Short term works outside a traffic lane – greater than 1.2 m from a traffic lane

Criteria		Yes / No
1	The work area is greater than 1.2 m from a traffic lane.	
2	Works take 20 minutes or less.	
3	Work vehicles and equipment are parked adjacent to the worker location and parked clear of moving traffic lanes or parked where parking would be legal, and the safety of other road users is not compromised.	
4	A vehicle-mounted warning device is displayed on the work vehicle and has a minimum sight distance (see Table 5.4.2(c)) for approaching road users.	

If two or more locations within a space of 2 km or less require work to be undertaken, the methods of a frequently changing work area (see Section 5.3) must apply.

If work durations exceed the limits in Tables 5.4.2(a) or 5.4.2(b), consider the use of Sections 5.1 or 5.2 as appropriate.
