Incident Short Description	Member of Public (MoP) rollover within works area
-----------------------------------	---

What Happened

Whilst conducting works at Great Northern Highway SLK 1209.18, Overtaken Lane 6, a Member of Public (MoP) has rolled a light truck within the works area.

There was traffic management in place and a posted speed reduction of 80km/hr.

Crews have attended to the scene and confirmed that there were no injuries to the driver, however there was damage to the light truck. There also appears to be some damage to the road seal, which will be later inspected.
