

RED BANNER ALERT

SHW Serious Incident (SI) – Preliminary Notice

Date of Incident:	30/11/2022	Time of Incident:	12:00
Directorate / Region:	RMO MWG	Main Roads or Contractor:	Main Roads
EQSafe Event Type:	Security	EQSafe Incident Number:	29213
Actual Consequence:	Minor	Potential Consequence:	Catastrophic

Incident Short Description:	A member of public entered the Geraldton Office with a weapon.
------------------------------------	--

What Happened:

At approximately 12:00 on Wednesday 30/11/2022, a member of the public (MOP) alerted Department of Transport (DoT) staff that another MOP was approaching the Geraldton office (Department of Transport and Main Roads share an office in Geraldton) whilst carrying a weapon which was thought to be a machete. A DoT staff member approached the front door to lock it. Before the door could be locked, the MOP with the weapon entered the building. The Duress Alarm was activated, and the DoT staff member ran away from the intruder. DoT staff yelled out at the intruder to leave, and the intruder left the DoT/MR office. The front doors were then locked and Police arrived on site moments later.

Intruder

DoT Employee Running from Intruder

A formal ICAM investigation has commenced. Once completed, the lessons learnt will be communicated/shared through a final Grey Banner Alert as soon as practicable.

Immediate Actions:

Please note that these are generic actions for all to consider in relation to this risk (and is not reflective of this specific incident):

- *Review Duress and Lockdown Procedures and share procedures so all are aware*
- *Recommunicate Management of Customer Aggression Policy & Procedure to Main Roads staff*
- *Ensure EAP details are available to workers e.g., post incident and there are incident debriefs where required*

Distribution of Notice:
