

Table 21: Main Roads Requirements for the use of Truck Mounted Attenuators Code of Practice

Scenario 1 – Works on high speed/volume roads on the Main Roads network

Criteria		Yes/No
1	The works are not protected by road safety barrier or road closure.	
2	The works are within 3m of the live traffic lanes.	
3	The works occur on any of the roads listed in the table below:	
Road Number	Road Name	Locality
H015	Kwinana Freeway	Entire
H016	Mitchell Freeway	Entire
H020	Graham Farmer Freeway	Entire
H018	Roe Highway	Entire
H017	Tonkin Highway	Entire
H021	Reid Highway	From Erindale Road (SLK4.8 -23.82)
H057	Forrest Highway	Entire
H019	Great Eastern Highway Bypass	Entire

Scenario 2 – Protecting work areas within a live traffic lane on the Main Roads network

Criteria		Yes/No
4	A State Road with a permanent posted speed limit of 90km/h or more (or where the road is reduced within a localised section for the operation of traffic signals).	
5	A State Road with traffic volumes of 15,000 vpd (AADT) or more.	

Scenario 3 – Protecting work areas within a live traffic lane on the Main Roads network

Criteria		Yes/No
1	A State Road with a permanent posted speed limit of 80km/h or more.	
2	A State Road with traffic volumes of 20,000 vpd (AADT) or more.	

Scenario 4 – Protecting work areas within a live traffic lane on the Main Roads network

Criteria		Yes/No
3	The works occur on any of the roads listed in the table below:	
Road Number	Road Name	Locality
H002	Melville Mandurah Highway (Also: Stock Road, Rockingham Road, Patterson Road, Ennis Avenue, Mandurah Road)	Extends to Hilton and Mandurah (SLK 1.66 – 56)
H005	Great Eastern Highway	Darlington to the Lakes (multilane road sections) (SLK 19.71 – 50)
H012	Leach Highway	Entire (Excluding 60km/h section) (SLK 1.65 – 22.89)
H023	Armadale Road	Atwell to Armadale (80km/h sections) (SLK 1.42 -13.52)
H027	Rivervale Wattle Grove Link (Also: Orrong Road, Welshpool Road East)	Entire
H029	Marmion Avenue	Entire
H043	Bussell Highway	Bunbury to West Busselton (SLK 0 – 53.38)
H057	Forrest Highway	Entire
