

TGS Number	TGS Category	Posted Speed	Temporary Speed	Description	Implementation/Selection
RF-041	Reversible Flow Setups	50-110km/h	40km/h	Reversible flow with pilot vehicle	TMI with 3 Months Experience
RF-042	Reversible Flow Setups	70-110km/h	60km/h	Reversible flow with pilot vehicle	TMI with 3 Months Experience
RF-043	Reversible Flow Setups	60-110km/h	40km/h	Reversible flow with pilot vehicle	TMI with 3 Months Experience
RF-045	Reversible Flow Setups	50-110km/h	40km/h	3-way intersection reversible flow	TMI with BWTM
RF-046	Reversible Flow Setups	70-110km/h	40km/h	Single lane road reversible flow	TMI with BWTM
RF-047	Reversible Flow Setups	70-110km/h	40km/h	Single lane road reversible flow	TMI with BWTM
RF-048	Reversible Flow Setups	70-110km/h	40km/h	Overtaking lane reversible flow – at end	TMI with 3 Months Experience
RF-049	Reversible Flow Setups	70-110km/h	40km/h	Overtaking lane reversible flow – at end	TMI with 3 Months Experience
RF-050	Reversible Flow Setups	70-110km/h	40km/h	Overtaking lane reversible flow – at end	TMI with 3 Months Experience
RF-051	Reversible Flow Setups	70-110km/h	40km/h	Overtaking lane reversible flow – at end	TMI with 3 Months Experience

STLI-***	SHORT TERM LOW IMPACT				Revision	6
In Lane						
STLI-001	Short Term Low Impact	-	-	Works protected by specialist vehicle	TMI with BWTM	
STLI-002	Short Term Low Impact	-	-	Works protected by specialist vehicle – speed zone	TMI with BWTM	
STLI-003	Short Term Low Impact	-	-	Works between gaps in traffic	Independent Works Crew	
STLI-004	Short Term Low Impact	-	-	Short term works in traffic	Independent Works Crew	
STLI-005	Short Term Low Impact	-	-	Frequently changing work area – workers on foot	Independent Works Crew	
STLI-006	Short Term Low Impact	-	-	Frequently changing work area – plant	Independent Works Crew	
STLI-007	Short Term Low Impact	-	-	Frequently changing work area – workers on foot	Independent Works Crew	
STLI-008	Short Term Low Impact	-	-	Frequently changing work area – plant	Independent Works Crew	
STLI-009	Short Term Low Impact	-	-	Constantly moving work area	Independent Works Crew	
STLI-010	Short Term Low Impact	-	-	Constantly moving work area - plant	Independent Works Crew	
STLI-011	Short Term Low Impact	-	-	Constantly moving work area – significant curves	Independent Works Crew	
STLI-012	Short Term Low Impact	-	-	Shoulder, medians, verges and paths	Independent Works Crew	
STLI-013	Short Term Low Impact	-	-	Shoulder, medians, verges and paths - plant	Independent Works Crew	
STLI-024	Short Term Low Impact	-	-	Frequently changing work area – plant	Independent Works Crew
