

4.0 Description of Incident:

Draw the Incident including the direction of travel, traffic control signs, fixed structures and north point.

A blank grid map with a circle in the top right corner and the word 'North' next to it. The grid is composed of 15 columns and 15 rows of squares. A circle is drawn in the top right corner, spanning the 14th and 15th columns and the 14th and 15th rows. The word 'North' is written to the right of the circle, indicating the orientation of the map.
