

Sign	Sign number	Size (mm)	Figure	Notes
ON SIDE ROAD L / R	TM5-10B (L)	1200 x 300	 	This sign may be used in advance of an intersection to warn of the relevant activities on another road where there is insufficient distance on the other road from the intersection to the start of the works for turning traffic to be given adequate warning. This sign shall not be used with a regulatory sign. This sign shall not be used on the terminating leg of a T intersection to warn of the relevant activities on the continuing leg of the T intersection. The ROAD WORK AHEAD (TM1-1A or TM1-1C) sign with a direction arrow (TM5-8B) should be used instead.
	TM5-10B (R)	1200 x 300		
EVENT ON SIDE ROAD	TM9-4C-Q01	1200 x 600		This sign may be used in advance of an intersection to warn of an event on another road where there is insufficient distance on the other road from the intersection to the start of the event for turning traffic to be given adequate warning. This sign should be used with the 1200 x 300 Horizontal Arrow (TM5-8B) to indicate the direction of the side road where the event is being held. Example:  This sign shall not be used on the terminating leg of a T intersection to warn of an event on the continuing leg of the T intersection. The EVENT AHEAD sign with a direction arrow (TM5-8B) should be used instead.
