

If you are new to Queensland Globe, there is a range of tutorial videos available under the 'Help' section.

The TTM road categories map on the Queensland Globe will be maintained and updated by Transport and Main Roads periodically. Please email TrafficEngineering.Support@tmr.qld.gov.au with any requested changes for approval. The Traffic Engineering Practice team will forward any approved TTM road category changes to the TMR Corporate Mapping team for updating of the Queensland Globe maps.

Removed reference to “workplaces” from ETM Tasks.

Added that ETMs are volunteers who are only to be engaged at special events by the event organiser.

See changes highlighted yellow following.

Appendix A TTM Roles – Additional tasks and activities

Addition

The tables following outline the various TTM duties in relation to the selection, design, implementation, monitoring or modification of a Traffic Management Plan (TMP) or a Traffic Guidance Scheme (TGS) which may be performed based on the competent person definitions in Clause 1.3.2 Queensland MUTCD Part 3.

A competent person must only undertake activities relevant to their temporary traffic management role.

A person holding multiple competencies (qualifications) may apply all of the relevant sections for those competencies (or qualifications) as identified in the table following. If an activity is not listed for a given competency, then that activity cannot be conducted under that competency.

Difference

In Table A5 replace:

The person under instruction should have the Working Safely Near Traffic training unit competency.
