

BLUE BANNER ALERT

General SHW Notice

Type of Notification	General SHW Advice	Date	16 February 2024
----------------------	--------------------	------	------------------

Summary Statement	Changes to the Bush Fires Regulations 1954. Road Work Prescribed activities and conditions during a total fire ban
-------------------	--

Details

Changes have occurred to the WA Bush Fire Regulations 1954 24Y-24ZB [WALW - Bush Fires Regulations 1954 - Home Page \(legislation.wa.gov.au\)](#) effective as of 10 February 2024. These changes apply to road works carried out during a Total Fire Ban (TFB). Road Work activities can be carried out in the course of a trade or commerce or (by or on behalf of) a Public Authority **ONLY when the Fire Danger Rating is not Catastrophic**, and all conditions are complied with.

Details of the conditions can be found on the Fact sheet which is available on the DFES website via the following link [Publications \(dfes.wa.gov.au\)](#).

The updated [Total Fire Ban Checklist](#) requires completion when planning works during a TFB

For details of locations of Total Fire Bans, head to the [DFES warning and incident map website](#).

Action(s) Required

- Review information on fact sheet, and communicate fact sheet and checklist to relevant parties
- Update documentation including Safety Management Plans where required

Distribution of Notice	All Main Roads WA
